Environmentally Conscious Furniture

This is a uniquely attractive option in recycled furniture. With attached bench seats and a walk through design, the Bainbridge Table provides aesthetic appeal, easy access & the advantage of recycled plastic.

Our comfortable, ergonomic benches feature quality 1½" x 3½" recycled planks. Never worry about sagging, or staining as the fade-resistant color is uniform throughout the planks.

A wide 4" steel band wraps the table and bench ends, joining to the heavy-duty frame. All steel components are shielded for extreme rust resistance.

5 Year Warranty.
