# Classic™ Rack

Model Number	Dimensions	Construction
Classic	3" diameter tubing	2" "C" Channel & 3/4" Dia. Steel Rod

Like an iron fence around an English garden, the Classic™ bike rack adds a functional yet attractive touch to any environment. This unique bicycle rack blends into the landscape with a space-saving design that can accommodate up to nine bicycles.

The Classic™ is constructed of 3" square steel tubing, 2" "C" channel, and 1/2" and a 3/4" diameter steel rod. It is available in a galvanized, powder coat, or powder coated stainless steel finish. The ball is an option to the newel post style in locations where vandalism is a concern.
