

# Contour Bench

Coordinates beautifully with the South Hampton Waste Receptacle with Bonnett

Model	Dimensions	Ship Wt.
T2LEXC6	33"H x 25"W x 75"L	159 lbs.

These elegant slotted steel benches provide unique design with incredible performance. Gently sloping seats and frames curve beautifully to give real comfort and style. Assembly required. Pre-drilled holes for easy surface mounting.

- 20-year limited structural warranty with 7-year Plastisol Coatings warranty
- Richly tinted TopCoat powder coating encapsulates plastisol and steel against the elements and provided a high gloss finish that won't fade, peel, chip, crack, mold or mildew
- Prior to the application of TopCoat, plastisol is permanently heat fused to primed heavy duty steel, creating an impervious rustproof barrier; This oven cured plastisol has an overall thickness of 1/4"
- Powder coated bench ends are shielded by our patented Guard to prevent fading and maintain extreme rust-resistance
