CONWAY BENCH METAL

Model Number	Dimensions	Construction
Conway 6 Metal	73 x 33 x 33	Steel Tubing and 14 Gauge Perforated Metal

The clean, distinctive lines of the Conway bench make any setting stand out. Conway's effortless styling combines low maintenance with unsurpassed comfort. Conway's seat can be ordered with 14 Gauge Perforated Metal or 1 x 3 Board Profiles.

Available with two installation methods: surface mount and in-ground. The bench comes in a 6 foot length, either with a back or backless. There is an optional armrest. Styles include perforated metal, wood, recycled plastic, with powder coat finish in a wide variety of colors.
