A contemporary classic, the Fresno is beautifully proportioned and constructed by hand to our exacting standards. This durable lightweight fiberglass container, offers strength and beauty in generous measures.

Finished in a choice of automotive-grade paints or Fusions, our signature metal finish that ages gracefully by developing a soft patina. Each receptacle is UV-resistant and scratch resistant for indoor and outdoor use. Shown here in our Bronze Finish with Trash Top.

- Available tops: trash, ash, ash/trash.
- UV and scratch resistant, suitable for indoor and outdoor use.
- Engineered to lower maintenance and replacement costs.
