Gridrac

Model Number	Dimensions	Construction
GR110	31" h X 36"	4 1/2" & 8" OD Structural steel tubing
GR112	WIDE	
GR114		
GR116		

The Gridrac features a traditional design which is ideal for high-volume, low-security use. The racks offer the ability to park bikes on one or both sides and can accommodate up to nine bikes per side.

They are available in either a galvanized or powder coat finish. Kits are also available for connecting selected grid rack models in a row. Some racks can ship via UPS.
