Created to meet the specialized needs of hospitality designers and end users. The Guest Center provides a functional work environment for lobby, guest room, mixed use space and business centers. Featuring simple clean lines, the Guest Center becomes the focal point and complements any interior, whatever the design approach.

With an unlimited pallet of specialty and standard materials available, it's easy to customize the Guest Center for your specific requirements.

Choice of work surface materials include laminate, glass and Avonite®. Back panel finish is laminate. Specialty materials, custom sizes and configurations are available.

Manufactured with sustainable materials that advance our commitment to create healthy environments.
