Fiberglass Liners: Set of 3 @ 12w x 26h x 12d 16 gallons each

These contemporary and transitional designs are offered in more than 2 dozen hi-gloss gel-coat colors or Softec a lightly sand blasted abrasion resistant finish. A Speckled finish is also available yielding both depth and dimension.

5 aggregate stone finishes are offered in a polished “smooth to the touch” finish or an exposed aggregate finish in which aggregates are permanently embedded into the surface of the fiberglass.
