A wonder of organic undulations that move about in the light, the San Mateo Container is constructed of durable, lightweight fiberglass to be strong and beautiful. This modern ash/trash container is then custom finished to exact specifications in a choice of fade-resistant automotive-grade paints or one of our signature Fusions, a unique finish that ages gracefully over time by developing a soft patina. Contact T2 directly for details on recycle and custom applications.

- Available tops: trash, ash, ash/trash, recycle and towel bin.
- UV and scratch resistant, suitable for indoor and outdoor use.
- Engineered to lower maintenance and replacement costs.
