Spartan

Model Number	Dimensions	Construction
SPR-SNG	Various sizes available. Single and Double Racks	2 3/8" OD & 1 5/8" OD Steel Tubing and 3/4" Steel Rod
SPR-DBL		

NEW! The Spartan™ has clean lines which combine both form and function while keeping bikes neatly aligned and upright. It offers a 25" clearance between bikes, a 3/4" solid rod for "U" locks, and all-welded construction.

The Spartan™ is constructed of 2-3/8" OD and 1-5/8" OD steel tubing with a 3/4" diameter steel rod. It is available in freestanding, surface, and in-ground mounting options with the ability to park one or both sides of the rack. It is also available in galvanized or powder coated finishes. The Spartan™ is an innovative, practical, and eye-catching parking option.
