Flex Granite Bug Barrier Top

Model	Capacity	Height	Diameter	Ship Wt.
Flex 42	42 gal.	29.44"	24.8"	27.5 lbs.

High Capacity, heavy-duty receptacle for Indoor or Outdoor use. This standard 42 gallon Rotationally Molded Receptacle has hidden molded in handles, for easy emptying.

We eliminated the metal hinges on the flip door and created a complete maintenance free plastic hinge. The door is designed to close by gravity. Even strong winds won't affect it.

Specialty weighted flip door is weighted to close automatically keeping bugs out of the trash. Fits well on a 55 gallon drum.
