Aurora Square Planter

Model Number	Height	Outside Diameter	Ship Weight
Aurora 500-0347	36"	36"	1,250 lbs.

The Aurora concrete planter offers maximum durability and minimum maintenance. The rugged steel reinforced construction makes them an ideal solution for state and federal government agencies, fast food restaurants, department stores, educational facilities, parks & recreation departments, residential complexes, and individuals to beautify their homes, patios, and gardens. All concrete and GFRC planters come with drain holes for proper drainage.

Comes in a range of sizes with matching Receptacles & Ash Urns
