English Bench

Model Number	Length	Width	Height	Ship Weight
English 48 510-0093	48"	23"	43"	210 lbs.
English 72 510-0092	72"	23"	43"	260 lbs.

The alluring style of the English Bench gives a great look to any setting. With its solid steel construction and professionally applied powder coat finish this bench would be a great addition to any setting. Each of our steel benches are handcrafted, using high quality steel.

Taking pride in details. Skilled craftsmen manufacture & inspect each piece for near invisible weld seams. Each piece of our Metal Site Furnishings is handcrafted, using high quality steel. After stringent metal preparation, each piece receives a standard application of 7-15 mils of colored polyurethane powder coating. This creates a perfectly durable finish that will keep it's color and last for years.
