Vase Medium	21 " diameter x 32 " Height	13.2
Vase Large	28" diameter x 39" Height	19.8

The vast proportions of our larger Geo Vase make a very impressive statement. It is a first choice for designers when height is needed in an area. We also offer smaller scaled down sizes for more domestic situations. The Geo Vase is made of lightweight fiberglass so although large in scale it can still be handled with ease. Standard finish as shown in Old Penny Bronze Textured. Other finishes available
