Model Number	Length	Width	Height	Ship Weight
Meteor	96"	18"	25"	230 lbs.

The Meteor segmented Bench is a vision of simplicity. With it's separate seating and Fixed arm rests each person has a roomy 21" wide for comfort.

This powder coated rust resistant finish has staying power. It is pre-drilled for easy surface mounting with your hardware.

Taking pride in details. Skilled craftsmen manufacture & inspect each piece for near invisible weld seams.

Each piece of our Meteor Bench is handcrafted, using high quality steel. After stringent metal preparation, each piece receives a standard application of 7-15 mils of colored polyurethane powder coating. This creates a perfectly durable finish that will keep it's color and last for years. Ships fully assembled.
