Two removable 27.5 gallon liners neatly store your recyclable materials
Unique openings are labeled clearly to promote proper recycling (Silk Screened)

No Ripped Bags

The liners in the Basic Recycle55 protect the bag from being ripped. The uniquely shaped openings are designed to accommodate specific recyclable material and eliminates unwanted litter in the Basic Recycle 55. The silk screened universal recycle symbol and product labeling clearly identifies the Basic Recycle 55 as part of a recycling program.

Great Value

The large capacity Basic Recycle 55 recycling center is perfect for businesses or Schools that want to do their part to save the environment. This polyethylene Recycle 55 is extremely durable and weather resistant. The Basic Recycle 55 ships motor freight.
