Sedona Planter

Model Number	Height	Outside Diameter	Ship Weight
Sedona 500-0337	30"	30"	800 lbs.

The Sedona concrete planter offers maximum durability and minimum maintenance. The rugged steel reinforced construction makes them an ideal solution for Hotels, Restaurants, Department stores, Colleges, Parks & Recreation departments, Residential complexes, and individuals to beautify their homes, patios, and gardens. All concrete and GFRC planters come with drain holes for proper drainage.

We can provide the strength, flexibility and aesthetic value necessary for commercial or residential projects.

Comes in a range of sizes with matching Receptacles & Ash Urns.
