Spencer Bench

Model Number	Length	Width	Height	Ship Weight
Spencer 48 510-0119	48"	22"	35"	140 lbs.
Spencer 74 510-0100	74"	22"	35"	180 lbs.

Complimenting the Spencer series is our upscale bench available in two lengths.

Taking pride in details. Skilled craftsmen manufacture & inspect each piece for near invisible weld seams. Each piece of our Metal Site Furnishings is handcrafted, using high quality steel. After stringent metal preparation, each piece receives a standard application of 7-15 mils of colored polyurethane powder coating. This creates a perfectly durable finish that will keep it's color and last for years.
