NEW! The Vanguard™ is the most functional, easy-to-use bike rack ever made. The Vanguard™ keeps bikes neatly aligned and upright. It features raised front wheel stops for positive parking. The Vanguard offers a 25" clearance between bikes, all-welded construction, and a 3/4" solid rod for "U" locks.

The Vanguard™ is constructed of 1-1/2", 2-1/2", and 3" square steel tubing and a 3/4" diameter steel rod. Available in a galvanized or powder coated finish, this rack is a durable, practical, and distinctive parking option.
