# Waves Tall

Model Number	Internal Dimensions	Height
TSAT2WAV - A7866	21.9 x 14.5"	24.6"

Anti-shock and lightweight Resin Planters line. Weather resistant & crack-proof. UV protection included. Planters are double walled for superior resistance, ideal in commercial settings. No punch outs or drills, Our pre-drilled drainage holes eliminate dirty water collection in planters.

Introducing affordable modern design that reflects design trends in the market. Adds a level of sophistication to any landscape indoors or out.

10 year warranty on rotational molded products against cracking & fading.
