

West End Receptacle

Model	Dimensions	Ship Wt.
T2FRTCRT32	33 3/4"H x 30 1/8"Dia.	360 lbs.

Comfortable contemporary style with the strength of concrete.

Add beautiful functional furnishings to your public areas that will stand up to heavy use and endure any weather. Our West End receptacles provide the exceptional strength of concrete reinforced with double stranded 3/8" thick steel rebar construction. ACI-certified for strength and durability up to 5,000 PSI. This unique receptacle features a smooth concrete surface that won't snag clothes and requires virtually no maintenance. Receptacle has a generous 32-gallon capacity and features a rust-resistant powder coated spun steel top in your choice of colors.
