The Winder Plus bicycle parking rack has the same sleek, modern look as heavy-duty serpentine type racks. It is available in a 42" rack height. The Winder Plus is constructed of strong, high quality 1-5/8" OD structural steel tubing (1-1/4" Schedule 40 pipe).

The Winder Plus has the capacity to park up to 21 bikes and is available in a galvanized, powder coat, or stainless steel finish. Mounting options include in-ground or surface mounting.
