

Green View Picnic Table

Our seven-step powder-coat system exceeds AAMA 2604-05 (American Architectural Manufacturers Association) test specifications—one of the highest in the industry.

Our coating stood up to some of the toughest test specifications, including adhesion, abrasion resistance, chemical resistance, corrosion resistance and fade resistance, to ensure that our products will last long.

Green View	Description	Ship Wt Lbs.
USC-GV229G Surface Mount or inground please indicate	47½" sq x 30" H table. Recycled plastic lumber slats. Extruded Aluminum framing. Includes umbrella hole. 4 Seater.	338 lbs.
USC-GV234G Surface Mount or Inground please indicate	47½" sq x 30" H table. Recycled plastic lumber slats. Extruded Aluminum framing. Includes umbrella hole. ADA approved 3 or 2 seater available	349 lbs.

Our Green View recycled material tables are great for your projects. This unit is a 4 seat, available in an inground or surface mount option.

Just like our Green View picnic tables, this table is constructed from durable Poly-Tuf recycled material, while all frames are coated in our AAMA 2604-05 compliant powder-coating.

All planks come pre-assembled for ease of installation.
