Model Lodi 4 Seater	Dimensions	Construction
TS-Lot-4B-SQWI Square table	77" Sq. x 30" H	Ipe wood Recycled Plastic wood

The Lodi outdoor tables will enhance any outdoor space by bringing contemporary design and function. These steel and wood tables aid in creating an area that invites gathering. The shape of the seats provide added comfort for guests so they can relax and enjoy the environment, whether that be in a park, courtyard, or other gathering space.

Seat Options

- 3 Backed or Flat Seats - WCA
- 4 Backed or Flat Seats
- 5 Backed or Flat Seats - WCA
- 5 Backed or Flat Seats - Even Spaced
- 6 Backed or Flat Seats

The 3 seat table and the 5 seat table (not even spaced) can be wheelchair accessible.

Table Materials

Lodi tables are constructed with the following materials:

- Top: 42" Diameter 12 Gauge Spun Steel with 1-1/2" C Rolled Edge
 - Frame: 2" Square steel tube and 1-1/2" Square tubing
- Seating: Ipe wood profiles
